STATINTL

1. Discussed with Congressman Keating the reasons why it was necessary to request the resignation from CIA of [redacted] who had been requested to resign for security reasons. [redacted] sister-in-law, who is married to a CIA employee, had informed the Congressman that [redacted] knew no reason why his resignation should have been requested and was concerned lest her husband's job also be in danger. Informed the Congressman that [redacted] was fully aware of the reason for his resignation and that it would not affect his brother's job.
